## REGULATORY ANALYSIS & SUPPORT SERVICES

## ECONOMETRICA, INC.

Providing high-quality, cost-effective research, analysis, modeling, evaluation, and regulatory development services to clients in the private and public sectors.

## ANALYSIS, MANAGEMENT, AND SUPPORT SERVICES FOR REGULATORY AGENCIES

### **Regulatory Impact Analysis:**

Prepare studies that meet the requirements of Executive Order 12866 and OMB guidance documents.

### **Regulatory Flexibility Analysis:**

Identify and quantify the economic impacts of regulations on small entities.

### **Cost-Benefit Analysis:**

Estimate net benefits of proposed regulations and, when appropriate, evaluate their cost-effectiveness.

### **Other Studies as Required:**

- Environmental Assessment
- Paperwork Reduction Act Analysis
- Energy Impact Analysis
- International Trade Impact Analysis
- Unfunded Mandates Reform Analysis.

### **Regulatory Development Support:**

Assist with drafting proposed and final rules; review and draft responses to public comments.

## REVIEW, ANALYSIS, AND RESPONSE SERVICES FOR STAKEHOLDERS

### **Review Regulatory Notices:**

Provide advice on potential impacts of proposed rules and suggest alternative responses.

### **Prepare Comments on Rulemakings:**

Draft technical responses to *Federal Register* notices.

### **Conduct Cost-Benefit Analyses:**

Review regulatory analyses that accompany Agency rules and prepare cost-benefit analyses of alternatives.

### **Prepare Risk Assessments:**

Evaluate the extent and nature of risks associated with occupational and product hazards. Assess related issues involving:

- Human Factors
- Consumer Motivation and Behavior
- Adequacy of Warnings.

### **Perform Strategic Analyses:**

Provide advice on procedural, technical, and economic issues and policy considerations for potential regulations.

## ECONOMETRICA'S APPROACH

Our in-house corps of exceptionally well-trained experts from a wide range of disciplines and pragmatic experiences enables us to provide:

- The most highly-qualified people to staff your project and ensure that you get the results you want—on time and within budget
- A single, responsible point-of-contact for each project
- Intensive hands-on oversight from our top management for each account.

Our approach to project management begins with client relationships. Our clients become an integral part of the project team, to ensure that emphasis is given to unique needs.
